3/26/13: Customer call

I am opposed to any rate increase for Global. I feel that Global is gouging the residents of Maricopa. I called Arizona Water and asked what their rate would be if I lived in their serving area. I was told \$17, so why am I paying \$100 to Global. Their CEO is just getting rich on the residents of Maricopa. Why can't a Company like Arizona Water come in and compete with Global? Better yet, why can't Global just sell the company to the City of Maricopa? Please do not give these people any more money, the Commission should be protecting the citizens of Arizona against companies like Global.
